

Widespread Panic, Raise The Roof

Be strong, baby please be strong
Won't last, baby won't last long
We were happy in our home

Raise the roof, raise the roof, raise it high
Raise the roof, raise the roof, raise it high
Raise the roof, raise the roof, raise it high

Take care, baby please take care
Somewhere, find yourself a prayer
We were happy in our home

Raise the roof, raise the roof, raise it high
Raise the roof, raise the roof, raise it high
Raise the roof, raise the roof, raise it high

Be strong, baby please be strong
Won't last, baby won't last long
We were happy in our home

Raise the roof, raise the roof, raise it high
Raise the roof, raise the roof, raise it high
Raise the roof, raise the roof, raise it high
