Widespread Panic, Raise The Roof

Be strong, baby please be strong Won't last, baby won't last long We were happy in our home

Raise the roof, raise the roof, raise it high Raise the roof, raise the roof, raise it high Raise the roof, raise the roof, raise it high

Take care, baby please take care Somewhere, find yourself a prayer We were happy in our home

Raise the roof, raise the roof, raise it high Raise the roof, raise the roof, raise it high Raise the roof, raise the roof, raise it high

Be strong, baby please be strong Won't last, baby won't last long We were happy in our home

Raise the roof, raise the roof, raise it high Raise the roof, raise the roof, raise it high Raise the roof, raise the roof, raise it high
