

Widespread Panic, Surprise Valley

Oh, kiss the mountain air we breathe
Good-bye it's time to fly.
Sparrow climb, the air is thinner,
Open wings cast this valley in the shade.

Fires dance the shadows
Winds whisper the trees
Mother talkin' the water's
Spirit moves, it moves through all things.

Oh, kiss the mountain air we breathe
Good-bye it's time to fly.
Sparrow climb, the air is thinner,
Open wings cast this valley in the shade.

Fires dance the shadows
Winds whisper the trees
Mother talkin' the water's
Spirit moves, it moves through all things.
