

# Wild Belle, Our Love Will Survive

If the world on fire  
If the oceans rise  
Our Love Will Survive  
Our Love Will Survive  
I don't want you see cry  
So baby let me tell your eyes  
I'll be by your side  
If the world stop spinnin round  
And heaven falls to the ground  
I'll be by your side  
If the world on fire  
If the oceans rise  
Our Love Will Survive  
Our Love Will Survive  
if the sky falls down  
If time rounds out  
Of the trumpets sound  
Our Love Will Survive  
Our Love Will Survive
