

# Will Ferrell, My Marianne, Ja Ja Ding Dong

When i feel your gentle touch  
And things are going our way  
I wanna spill my love on you all day  
All day

Jaja ding dong  
My love doe you is growing wide and long  
Jaja ding dong  
I swell and burst when i see what we become  
Jaja ding dong  
Come come on, baby , we can get love on  
Jaja ding dong  
When i see you, i feel like ding-ding-dong

Love expands when i am with oyu  
All over the milky way  
I wanna open up to you all day,  
All day  
Alright everyone  
Move your body, woo

Jaja ding dong  
My love doe you is growing wide and long  
Jaja ding dong  
I swell and burst when i see what we become  
Jaja ding dong  
Come come on, baby , we can get love on  
Jaja ding dong  
When i see you, i feel like ding-ding-dong
