Will Hoge, Be Together Again

one fine day when those clouds above have gone away oh i know i'll see you again and when i do we're worry cause i still be true oh and i know that we'll be together again when night falls call my love if you need a day just call oh and i know i'll be running back to you and i will find you no matter how far no matter what you do oh and i know that we'll be together again together again when i see you walking by well you know it makes me feel so high fields of flowers blooming in my mind and this love this love like ours know it gets a little bit sweeter every time so when you don't feel so strong hold on hold on don't you know it won't be long till we're together again? together again
