

Will.I.Am, Fiyah

You can't touch me
I'm too high up
You can't touch me
I'm about to raise up
Look at me /3x

I'm on fiyah /8x

I woke up like tis
I'm butting up like this
I turn up like this
I turn up like this
All I wanna do is burn it up like this
I say like that
No emotion like that
I kill it /6x
Tell them I don't play like that
I'm in heaven (?) here
Sipping a 100\$ brandy here
So hot
Need a fan in here
All I play my geny here
It's the inferno
If you didn't know it baby
Now you know
So, come on!

You can't touch me
I'm too high up
You can't touch me
I'm about to raise up
Look at me /3x

I'm on fiyah /8x

I run like this
I make it hot like this
I'm about to drop like this
I'm all the way up
On the top like this...
