

Will Powers, Dancing For Mental Health

J: what the hell is wrong with you? ya always make a scene. you gotta push me to the point where

L: what do you want me for anyway, jerry?

J: I love you.

L: do you? do you love me or who you want me to be?

J: you're a woman with two sides, linda. one side is everything I want. the other side makes me wa

L: huh, you don't love all of me. you only love a part of me. in other words, you don't really love me

J: you're not making sense. you're trying to make trouble. I do love you. I just wish you'd quit acting

L: I think we need some time apart.

J: what are you talking about? we spend most of our time apart.

L: that's what I mean. you don't understand me. I can't go on feeling these double binds between u

It would probably take years of conventional marriage counseling to straighten out this relationship.

Anyway you move, mental health is flowing into you.

Nothing left to prove, nothing else to do.

You hear the truth your body hears,

It's in your eyes and in your ears.

Like air, it's flowing into you.

Dancin' osmosis. no hocus pocus.

You're probably asking yourself how can dancing to a particular record bring about any important c

Nothin' left to lose, mental health is flowing into you.

Nothin' left to choose, nothin' else to do.

You move the way your body does,

It's in your bones and in your blood.

Your heart is filling up with love.

Dancin' osmosis, no hocus pocus.

L: listen jerry, I thought I was pregnant and you know why? because you came inside me and you l

J: you thought you were pregnant and didn't tell me?

L: why bother? it's my decision.

J: you're wrong, baby. it's our decision.

L: our decision. I never knew you felt this way about us.

Before you realize what is happening, the dancing for mental health method has started to work.

Turning to the sound, mental health is flowing into you.

Turning you around, how you needed to.

You'll be the one you want to be.

You'll do the things you want to do.

You'll have the things you want to have.

Dancin' osmosis, no hocus pocus.

We return to jerry and linda after just one enjoyable evening of dancing for mental health.

L: I can't believe I put you through all that soap-opera suffering and you stayed with me.

J: instead of just telling you I loved you, I should have listened for what you needed.

L: if you love me or not doesn't seem to matter anymore. it's how much I can love you.

Anyway you move, mental health is flowing into you.

Nothing left to prove, nothing else to do.

You hear the truth your body hears,

It's in your eyes and in your ears.

Like air, it's flowing into you.

Dancin' osmosis, no hocus pocus.

Dancing for mental health will change you and all the people around you.

Will you, won't you, will you, won't you, will you join the dance?

Will you, won't you, will you, won't you, will you join the dance?

Dancin' osmosis.
