

Will Young, Crying on the Bathroom Floor

Give me that diamond ring
Give me that love on the movie screen
And I won't feel a thing
Promise I won't feel a thing
Give me that kiss goodnight
Give me a call, tell me it's alright
And I won't feel a thing
Promise I won't feel a thing

And i guess that i got rewind
Cause you're cold as ice
But it feels liek
Fire /5x
And the drugs don't work
And i don't knwo why
Byr when you hurt me
I go
Higer /4x

But when i am crying on the bathroom floor
Tearing off the dress i wore,
I Wonder
If i could never ask for more
I am never gonna ask for more
Form a lover
crying on the bathroom floor
Tearing off the dress i wore,
I Wonder
If i could never ask for more
I am never gonna ask for more
Form a lover
