

William Fitzsimmons, Even Now

How long should I wait before I let you go?
How long should I decide?
Whose side should I take
When both of us were wrong?
When we both share the blame

Oh but I love you even still even now
Even though we fell apart
Even still even now
But I hope well meet again

Whose eyes will you look in
When love is in your heart?
Whose hand will hold your ring?
Whose voice will serenade
To help your baby sleep?
To make it all okay

Oh but I love you
Even still even now
Even though we fell apart
Even still even now
And I hope well meet again
Even still even now
Even though we fell apart
Even still even now
And I hope youll be okay
