

# Willie Nelson, Sorry Willie

See her dancing see there Willie see how reckless she is  
She's a wild one as everyone knows  
Why what's wrong Willie why you're cryin' what have I done  
Sorry Willie I didn't know you didn't know  
And I wouldn't have said all those things that I'd known  
That she was your darling your sweetheart your own  
Don't ask how well I know her I might lie I don't know  
Sorry Willie I didn't know you didn't know  
( guitar - harmonica )  
And I wouldn't have said...  
Sorry Willie I didn't know you didn't know
