

WILLOW, run!

I can't get out
No no, I can't get out
I can't get out.

This pattern it's maddening making a tragedy happen
That's not even real
No I can't get out

Stop looking at me as if I'm your friend
And please stop talking to me like I'll let you in
With every breath that I take
I spiral around and around
And down and I'm not ever fighting back

Against the intrusive thoughts
Clarity can't be bought
Oh no I wont get out
I wont get, I wont get....

I can't get out
No no, I can't get out
I can't get out.

This pattern it's maddening making a tragedy happen
That's not even real
No I can't get out

Stop looking at me as if I'm your friend
And please stop talking to me like I'll let you in
And every word that you say I'll twist it around and around
And then down until I can't recognize you
Give in to intrusive thoughts
Clarity can't be bought
Oh no I wont get out
I won't get, I won't get...

I can't get out
No, no I can't get out

No.

I'm a run run run, I'm runnin', I'm runnin'
Im a run run run, I'm runnin', I'll run
I'll run forever, I'll run I'm a run runnin' x7

I don't want to leave, but I don't want to stay
No I don't want to leave, but I don't want to stay.
