

# Wilson Phillips, You're Love

Open the door, come in  
I'm so glad to see you my friend  
Don't know how long it has been  
Havin' these feelings again  
And now I see that you're so happy  
And oh... it just sets me free  
And I like to see us as good friends  
As we used to be, ahh...  
My love, ahh...

You're in love, that's the way, it should be  
Cause I want you to be happy  
You're in love, and I know  
That you're not in love with me  
Ooh it's enough, for me to know, that you're in love  
Now I'll let you go  
Cause I know, that you're in love

Sometimes it's hard to believe  
That you're never coming back to me  
I've had this dream that you'd always be by my side  
Woah I could've died  
But now I see that you're so happy  
See that you're so happy (ooh...)  
And ooh... it just sets me free  
And I'd like to see, us as good friends  
As we used to be (ahhh)  
Ooh... my love (ahh)

You're in love (you're in love)  
That's the way (that's the way), it should be  
Cause I want you to be happy  
You're in love (you're in love)  
And I know (and I know), that you're not in love with me  
Ooh it's enough, for me to know, that you're in love  
I can let you go  
Cause I know, that you are in love...

I tried to find you, but you were so far away  
I was praying that faith would bring you back to me  
Someday (someday), someday (someday), someday  
Woo-oooh, you're in love

Ooh it's enough, for me to know, that you're in love (ooh...)  
Now I'll let you go  
Cause I know, that you're in love... (love)  
No  
No

No-no,  
No-no, no-no ooh
