

# Windy Wagner, You Don't Have to Worry

Everything will slowly pass by  
Searching for a place to hide  
But you don't have to worry  
You don't have to worry  
Everything will slowly unfold  
And open to another world  
But you don't have to worry  
You don't have to worry  
When you look inside  
Never know what you might find

Inside  
Inside

Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right  
Everything will be all right
