

# Witchery, The One Within

Barren plains unholy ground  
A silent scream darkness abound  
Mythical rhymes spoken by few  
Fiendish uprising a legend come true?

(Chorus:)  
Ungodly pleasures mortal sins  
Feeding the one within  
Rise again Rise again

Inverted crosses bloodstained sand  
Ancient symbols carved in hand  
Godless creatures odium fortold  
Devoured by vermin a corpse without soul

(Chorus)

Risen from below  
Captor of your soul  
For beyond retrieve  
Forsaken by your god

Barren plains unholy ground  
A silent scream darkness abound  
Close the circle nocturnal feast  
upon the flesh hellhounds unleashed

(Chorus)
