

# Within Temptation, Angels

Sparkling angel  
I believe  
You are my saviour  
In my time of need

Blinded by faith  
I couldn't hear  
All the whispers  
The warning's so clear

I see the angels  
I'll lead them to your door  
There is no escape now  
Now mercy no more

No remorse 'cause I still remember  
The smile when you tore me apart

[Chorus:]  
You took my heart  
Deceived me right from the start  
You showed me dreams  
I wished they'd turn to real  
You broke the promise  
And made me realise  
It was all just a lie

Sparkling angel  
Couldn't see  
Your dark intensions  
Your feelings for me

Fallen angel  
Tell me why?  
What is the reason?  
The thorn in your eye

I see the angels  
I'll lead them to your door  
There is no escape now  
No mercy no more

No remorse 'cause I still remember  
The smile when you tore me apart

[Chorus]

Could have been forever  
Now we have reached the end

This world may have failed you  
It doesn't give the reason why  
You could have chosen  
A different path of life

The smile when you tore me apart

[Chorus:]  
You took my heart  
Deceived me right from the start  
You showed me dreams  
I wished they'd turn in to real  
You broke a promise  
And made me realise

It was all just a lie

Could have been forever

Now we have reached the end
