

Within Temptation, Enter

The gates of time have opened,
Now, it's chains are broken.
An ancient force unleashed again

As I enter the portal,
I feel the enchantment
It takes me away, away from here

Come near me,
enter my private chambers,
I want to feel the warmth on my face,
light-in darkness,
lift me up from here.
Give me you wings,
to flee from my ivory tower.

As I enter the portal,
I feel the enchantment
The stars above are lying at my feet.

Come near me,
enter my private chambers,
I want to feel the warmth on my face,
light-in darkness,
lift me up from here.
Give me you wings,
to flee from my ivory tower.
