

# Within Temptation, Raise Your Banner (feat. Anders Fridén)

Blood for freedom

You're pushing me to the corner  
Don't fight with me, don't fight with me, don't fight with me  
I'm crowning no man for his armour or rhapsody  
For what I see and what I feel

Wake up  
I'm defying you, seeing right through you  
Once I believed in you  
Wake up  
Feel what's coming deep within we all know  
Blood for freedom

So raise your banner, fight your war  
Break the silence, no remorse  
Won't die within  
Raise your banner, won't you come  
Fight the venom, the good die young  
Won't die within

I'm feeling the eyes of the fallen, they're watching me  
They make me see, they make me see  
I'm feeling the pain how you break them and make them bleed  
You make them bleed, you make them bleed

Wake up  
I'm defying you, seeing right through you  
Once I believed in you  
Wake up  
Feel what's coming deep within we all know

The way that you torment me  
The way that you challenge me  
The way that you make me bleed  
Blood for freedom

So raise your banner, fight your war  
Break the silence, no remorse  
Won't die within  
Raise your banner, won't you come  
Fight the venom, the good die young  
Won't die within

Blood for freedom

So raise your banner, fight your war  
Break the silence, no remorse  
Won't die within  
Blood for freedom  
Raise your banner, won't you come  
Fight the venom, the good die young  
Won't die within

When gods are falling  
They put all heaven in rage  
We're on our own  
Our tears keep falling  
They're setting fire to the flame  
Blood for freedom
