

# Within Temptation, Run

we can be friends  
ofc ourse we can  
sorry did my nine inch nails cut your soul?  
such a hero throwing stones  
to the whole one that really stands here all alone

crawling and crawling  
can't get up  
all these years of silence but I won't give up  
see you suffer, holding me down  
one day I will be somebody  
better watch out

I will overcome  
in violence your silence can never be undone  
I will overcome  
knowing that I'm not the only one  
I will overcome  
maybe in the second run

we can be friends  
ofcourse we can  
sorry did my nine inch nails cut your soul?  
such a hero throwing stones  
to the whole one that really stands here all alone

crawling and crawling

I will overcome  
in silence your violence can never be undone  
I will overcome
