

# Wiz Khalifa, Captain (Remix)

One shot, two shots  
I done mixed McQueen with the Blue Dot  
Thug life, 2Pac  
Smoke me a J on the roof top  
Champagne, campaign  
Spent a whole day on a airplane  
Barely get my team on the airplane  
Barely get my luggage on the airplane  
Lookin' at me like the captain  
They treat me, like the captain  
Know where I'm goin' like the captain  
Show up when I want like the captain  
Everywhere I go I'm the captain  
Everywhere I go I'm the captain  
Everywhere I go I'm the captain  
Everywhere I go I'm the captain
