

Wiz Khalifa, Dealing Montage

High all the time, and I don't know why
I open my eyes, roll one and get faded
How do I lie? Smoke once and not twice
I'm up in the sky right now and not ... up

I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)
I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)
I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)
I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)

Smoke one, fill it again, hit it once, hit it again
Knock one, you and your friend locked up smokin' again
Knocked up and you gotta wait nine months, you smokin' again
Got a jar, open it, damn, mom's home, go on again

We gon' smoke it all, baby, we ain't save it
Just got some Khalifa Kush, it smell amazin'
If I don't get my kush, then hell I'm raisin'
If I'm in my room, I'm meditating

I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)
I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)
I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)
I need it, I want it, I need it, I want it
I need it, I want it, I need it, I want it (And I ain't never chase it 'cause it came to me)

High all the time, and I don't know why

How do I lie? Smoke once and not twice
