Dancing, yeah bitch I'm just handsome
Knocking' youngs on the blade yeah my nana first grandson
Pressure, press niggas like Teslas
Off a Euro out in Europe I be thizzin' on a Vespa
Pressure, I don't fold under pressure
That nigga started singing when he faced a life sentence

And my wrist so pissed like a temper tantrum
Fuck this bad lil bitch said she from Atlanta

If its wock or its tech no it don't matter
If its red or its purp nigga I don't care
If its real or it's fake bae I don't care
Watch me hit from like back while I'm pullin' hair
I can see me up inside you just like a mirror aye

Been that nigga from the jump
Been that nigga from the jump
Been that nigga from the jump
I get anything I want
Been that nigga from the jump
Been that nigga from the jump
