Niggas gon' hate but still the paper gon' stidd-ack
I live that, the life you little pricks wish to get at
Tryna get a name not the one to come spit at
They say I'm doin' my thing like no one ever did it
Actually made a name in this hatin' ass city
That's why at every show, you see me Pittsburgh Diddy
Hoppin' on the road I bring Pittsburgh with me
My Pittsburgh tat match my Pittsburgh fitted
I'm so oh so Pittsburgh if you don't get it
My real niggas what up
Know a man never fall splat
If you down bounce back like a sit up
That money gotta get up, so why would I waste time
Get cake from my bars now so why would I waste lines
I'm like dark in the daytime
Something you can't find, he young with a great mind

I'm all about stackin' money (stackin' money), blowin' it (blowin' it)
Gettin' love (gettin' love), showin' it (showin' it)
Got ray (got ray), roll it then (Roll it then)
Dead Presidents, we foldin' them
I'm talkin' bout hustlin' (hustlin'), shinin' (shinin')
Strugglin' (Strugglin') grindin' (Yeah we grindin', man)
Don't talk till you livin' it (livin' it)
Gettin' it (Gettin' it), Gettin' it (Gettin' it)

And everybody knidd-ow, the boy got flidd-ow
Might be alright but can't fuck with Young Wizzle
Mr. 41, I'm Young Blow it by the idd-ow
I do work for your money Stuart Little
Rollin' back to back stay what's up I'm acting little
Blunts of that ray got my eyes all little
You know how I get down
Middle finger up and that Pittsburgh shit down
Yeah, it's going didd-own
Now he got 'em all excited, they recitin' what I spit out
Stone-cold hustler, I'mma get mines nidd-ow
While y'all niggas sit out, doin' what, I don't know
I'm somewhere on the road and putting my next shit out
5 alarm blaze, flame can't be put out
Addicted to getting paid, change can't be without
Niggas try to switch into my lane then spin out
It's all me from here out, no doubt

I'm all about stackin' money (stackin' money), blowin' it (blowin' it)
Gettin' love (gettin' love), showin' it (showin' it)
