

Wiz Khalifa, Oakland Originals

Oh, oh

My name is everywhere like DeJuan Blair
If you ain't a legend, don't belong here
Catch me in the Panther section where they all cheer
Come out to the Oakland Zoo, I'm filling all chairs
See me, I'm spinning down Forbes Ave
I'm getting more bags
Get your phone, you better record that
It's Shady McCoy fast
Been balling since I was young, so my jersey's at the Pete
They should know just where I'm from
If they don't then I'ma...

Bring 'em to the O (O), O (O), O (O)
Bring 'em to the O (O), O (O), O (O)
Bring 'em to the O
Ain't never been a fake, the O is for original
Ain't never been a fake, the O is for original

We used to ball and cut cleaner than Curtis Martin, uh
Just switched my jersey like Kenny Still, hit my target, uh
Push through the pain and your offensive line, I'm Aaron Donald
Giving my all to my craft, it's like it's no tomorrow
Captain of the team, blue and gold, that's what I bleed
Legendary just like Larry Fitz, I'm catching everything, uh
Nothing but love, it's hearts and threes, it's like Damar
Breaking records, feel like Tony 'til my helmet get a star, yeah
Welcome to the Zoo, they going crazy in the Pete
Hit the three to win the game, now it's a party in the streets
You already know, ready, set, let's go
Lights, camera, action, let's put on a show

Bring 'em to the O (O), O (O), O (O)
Bring 'em to the O (O), O (O), O (O)
Bring 'em to the O
Ain't never been a fake, the O is for original
Ain't never been a fake, the O is for original
Bring 'em to the O (O), O (O), O (O)
Bring 'em to the O (O), O (O), O (O)
Bring 'em to the O
Ain't never been a fake, the O is for original
Ain't never been a fake, the O is for original
