

# Wiz Khalifa, Young Khalifa

I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa

All about my money if you not, I'll see you later  
I take out the first two letters and say "Ha-ha" to you haters  
I got rooms with elevators  
Yeah, they say I'm futuristic  
Got a iPhone for business but the Sidekick's for the bitches  
Ha ha

I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa

Stupid swaggered up, niggas mad at us  
All my niggas rep that gang and my bitch she bad as fuck  
Hair down her back, religion always true  
My president is black, my head coach too  
Ooh

I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa

Tatted like a Mexican, fresher than a freshman  
Pocket full of Benjamins, how much ain't a question  
Wouldn't believe how many older women that be crushing  
Never quick to make a scene to me that's really nothing

I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa

Claim your flow insane but niggas not so sick  
Let 'em heat up 'fore I eat 'em  
Hope the pot don't stick  
And my Nikes don't fit, but my jeans do  
Apologize for shitting on you niggas I ain't mean to  
I see life in plain view I'm looking out the window  
Liquor, Swisher, Tips and that bitch to fluff my pillow  
California trips got me on some different swag  
If you didn't know who I was, I bet you know it now  
Yeah

I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa  
I'm young, I'm young Khalifa
