

Wojciech Lechończak, In My Bones

Yes i made a lot of mistakes
Guess i ve been in my won way
But i gotta do what it takes now

Got me feelin' liek i missed my time
Got me feelin like i am lost
I'll be facin' all my demons now

I got my eyes on the roAD, LOVE
I AM GONNA DO IT right by you, love
Cause i gotta feeling in my bones
In my bones, baby
I got move like a rolling stone
rolling stone
I've bee walkin on a tightrope
I've been dancing with your ghost
Can't nobody take me out my zone
I gotta walk intil i get there

I got my eyes on the roAD, LOVE
I AM GONNA DO IT right by you, love
Cause i gotta feeling in my bones
In my bones, baby
I got move like a rolling stone
rolling stone
I've bee walkin on a tightrope
I've been dancing with your ghost
Can't nobody take me out my zone
I gotta walk intil i get there
I got my eyes on the roAD, LOVE
I AM GONNA DO IT right by you, love
Cause i gotta feeling in my bones
In my bones, baby
I got move like a rolling stone
rolling stone
I've bee walkin on a tightrope
I've been dancing with your ghost
Can't nobody take me out my zone
I gotta walk intil i get there
