Wolf Alice, How Can I Make It Ok?

A moment to chage it all A life before in so slow Urgency takes hold But to live in fear Isn't to live at all

So how can i make it okay? I just want you to be happy So how can i make it okay? I just want you to be happy

how can i make it okay? Nothing else is as important As that to me how can i make it okay? Nothing else is as important As that to me

Happily seel you the world Let it in Embrance the ???? So fit So bold Someone like you Should not be left unsold
