Wolfsheim, Everyone who casts a shadow

Everyone who casts a shadow seem to stand in the sun And when your step leaves a track you seem to be going on.

I know myself... I know my shades... but I dont see no light And if there's a track, it means: No turning back No matter what you try!

Everyone who feels his heartbeat seems to be still alive And by a look into your eyes I seem to know if you're lying.

But from time to time there is more to life than just a muscle working deep inside And to find the truth it needs much more than just a look into an eye!
