

WONHO □□, LOSE

Lately
Been thinking bout
Thinking about
Thinking about
All of the crazy

25, 25/7
I am trying to save me

You going out
You going out
You going out to stain me
What you playin'?

I am stuck in the middle of your maze
But you love keep the chase
Oh\, why?
Are you standing 6 fix from my place
Only one thing left to say to ya

Don't wanna talk
Don't wanna fight
Don't wanna play
I can;t get over you
Jus wanna watch
You leave tonight
It's something i can't do

Coz baby
In your game of love
I know i am gonna lose

Hompesss
I am moving on
I am moving on
On still feeling hopeless

I am running
Running my mouth
But iam losing my Focus

I am going out
going out
going out dreading the morning
and you keep on calling

I am stuck in the middle of your maze
But you love keep the chase
Oh\, why?
Are you standing 6 fix from my place
Only one thing left to say to ya

Don't wanna talk
Don't wanna fight
Don't wanna play
I can;t get over you
Jus wanna watch
You leave tonight
It's something i can't do

Coz baby
In your game of love
I know i am gonna lose
