Working Title, Thoughts On Loves Mishaps

I think love is in the air, but when everyone is listing reasons to jump into the glass that breaks at fin

When the system's shutting down, I should be the first to figure out, and you know what you feel is

And I started to feel you erasing all their words, but sitting with my back turned can only make me s

The systems shutting down, and I can't do a thing but walk out and stay proud because all I am is e This girl is sailing on a boat and screaming at the waves as if she hears they're calling out her nam

And I started to feel you erasing all their words, but sitting with my back turned can only make me s

Set a course to see your face, oh northern star, it's not complicated just lead the way. So step aside Today pours out remnants of you and I can't see a thing past my two shoes. And if tonight just simple

Everyone here is wrong, and everyone here has nothing to good to say. Everyone here is wrong, a So shut your mouth!

And I started to feel you erasing all their words, but sitting with my back turned can only make me s
