## Worm Is Green, Love Will Tear Us Apart

( Joy Division Cover )

When the routine bites hard And ambitions are low And the resentment rides high But emotions won't grow And we're changing our ways Taking different roads

Then love Love will tear us apart Again

Why is the bedroom so cold Turned away on your side Is my timing that flawed our respect run so dry Yet there's still this appeal That we've kept through our lives

Love Love will tear us apart Again

Do you cry out in your sleep All my failings expose? Get a taste in my mouth As desperation takes hold Is it something so good Just can't function no more

When love Love will tear us apart Again
