

Wynn Stewart, We

WE'LL NEVER LOVE AGAIN
Writer Harlan Howard

Oh the nights I've cried, how I'd die inside
Knowing we'll never love again, love again
One mistake I've made, what a price I've paid
Knowing we'll never love again
Passion ruled my mind, made my conscience blind
And a million times, I've paid for my sins
Darlin please forgive, I don't want to live
Knowing we'll never love again
I still hear you say, as you walked away
Knowing we'll never love again, love again
I was such a fool, broke love's golden rule
Now you say, we'll never love again
