## X-Ray Spex, Day The World Turned Day-Glo

I clambered over mounds and mounds Of polystyrene foam And fell into a swimming pool Filled with fairy snow And watched the world turn day-glo you know you know The world turned day-glo you know

I wrenched the nylon curtains back As far as they would go And peered through perspex window panes

At the acrylic road

I drove my polypropolene Car on wheels of sponge Then pulled into a wimpy bar To have a rubber bun

The X-rays were penetrating Through the laytex breeze Synthetic fibre see-thru leaves Fell from the rayon trees
