## Xiu Xiu, I Luv the Valley OH!

That's a pill and you've got to take it That's a pill that you've got to take I won't rest until you take it That's a heart that you made That's a heart and the both of you made it And I won't rest until I break it Its histroic de la famile Its Ihistroic de la FAM And I won't rest until I forget about it I won't rest until I don't care I won't rest until I forget about it La La La La La La That's a razor and you will make a threat That's a razor make million billion threats And I won't rest cuz I heard it all before My behind is a beehive, there's a buzz in my backside My behind is a beehive and I won't rest while you break my will Je taime the valley Je taime the valley OH!!! I am an orphan de la valley And I wont rest until I forget about it I wont rest until I dont care LA LA LA LA LA LA
