

# XIX, Kismet

Here-here is the future, future, future  
I dress like I'm in jet set (God damn)  
Knock a pussy out just like a bed set (Sheesh)  
I feel like a gg with my headset  
Death is your kismet (Right)  
I dress like I'm in jet set (God damn)  
Knock a pussy out just like a bed set (Sheesh)  
I feel like a gg with my headset  
Death is your kismet (Right)  
Carrots up on carrots  
Up on diamonds, that's appeal shit  
Scaring all your parents  
When the mic switch on, I kill shit  
They see my guitar amps
