

Xscape, Just Kick It

every man wants a woman where him and her can just go hang
just the two of them alone doing their own thing.
And every man wants a woman, that can always keep him in the mood
and im that kind of girl so this is what i tell my dude

repeat 2

chorus: kick off your shoes and relax your feet party on down with the
xscape beat (just kick it) just kick it, just kick it

verse 2

Every man wants a woman who can cook him up a good meal
A woman he can treat like his homie take her out on the and just chill
and every man wants a woman who ain't good for just layin on her
back. And I'm that kind of woman so before me and my gets in the sack
I tell him to

repeat chorus until fade
