

XXANAXX, Story

Let say that this is a story pat
About people that we barely know
They don't know much about themselves
And they don't know if they're cool
And that's that __ park
In her deep blue eyes
And there are some feelings the he cannot hide
Cannot hide, cannot hide, hide

All of the sudden
The sky__ blue
Her face can let the beautiful
They've never felt so good
The sky__ blue
Her face can let the beautiful
They've never felt so good
