

XXXTENTACION, Arms Around You (feat. Maluma)

Oh-oh (Ooh, ooh)
(Lil Pump)
(Maluma, baby)
Oh, woo-oh-oh, oh, ya-ah-aah
{Mally, Mally Mall}

Arms around you
Te amo, mami, let me hold you
Got my arms right around you, girl, oi
Good lovin', arms all around you
To make sure no one could harm you
Damn, lil mami, let me have you, oi

Yes, she's drivin' me crazy (Yeah)
I take drugs on the daily (Ooh)
Pull out the 'rari or the Mercedes (Which one?)
Yeah, she got my heart racing, racing (Yeah)
Foreign cars, foreign hoes
Yeah, we got a lot of those (Ooh)
10 bands on my Gucci coat (Ooh)
10 hoes in the studio (Huh)
Yes, I'm gonna miss you though (Yuh)
But I gotta let her go (Brr)
Spanish bitches love the coke (Wow)
Put my dick straight down her throat (Damn)
I know that your baby daddy broke (Broke)
Take your wife backstage at a festival
Penthouse, fifty-fourth floor, let's go (Let's go)
And my hotel came with a stripper pole

Arms around you
Te amo, mami, let me hold you
Got my arms right around you, girl, oi
Good lovin', arms all around you
To make sure no one could harm you
Damn, lil mami, let me have you, oi

If you ever get to feel my touch
Then you might never get enough
Yes, I know you feel the ambiance (Hey)
Love you like I'll never see you again
Only real 'cause I'm not for pretend (No)
Reaching out with your arms extended
My love is emergency and I can sense the urgency (Ya-ah)
Come, let me, woah-oh-oh-oh
Your body is just for me (For me)
It was like sorcery
She left me like an alcoholic

Arms around you
Te amo, mami, let me hold you
Got my arms right around you, girl, oi
Good lovin', arms all around you
To make sure no one could harm you
Damn, lil mami, let me have you, oi

Yeah, Maluma, baby (Dice)
Ey, mama (Mamá), te espera un party en mi cama (Cama)
Me encanta la forma en que me hablas (Hablas)
Invita a tu amiga la Juana
Pa' que fumemos como fumamos en La Habana
Siempre andamos positivos
Esa es la forma en que vivo, activo
Que se joda el que no esté en lo mismo

Yo disfruto mientras siga vivo
Di que sí, que no te cuesta
Si conmigo estás vestida de Chanel (Oh, yeah)
Hasta los pies (Oh, yeah)
Si tú te pones pa'l problema
Yo me pongo como se tiene que ser
De una vez, bebé, bebé (Maluma, baby)

Arms around you
Te amo, mami, let me hold you
Got my arms right around you, girl, oi
Good lovin', arms all around you
To make sure no one could harm you
Damn, lil mami, let me have you, oi
