

# Years & Years, Both Sides Now

Rows and floes of angel hair  
And ice cream castles in the air  
And feather canyons evrywhere  
Ive looked at clouds that way  
But now they only block the sun  
They rain and snow on evryone  
So many things I would have done  
But clouds got in my way  
Ive looked at clouds from both sides now  
From up and down, and still somehow  
Its cloud illusions I recall  
I really dont know clouds at all  
Moons and junes and ferris wheels  
The dizzy dancing way you feel  
As evry fairy tale comes real  
Ive looked at love that way  
But now its just another show  
You leave em laughing when you go  
And if you care, dont let them know  
Dont give yourself away  
Ive looked at love from both sides now  
From give and take, and still somehow  
Its loves illusions I recall  
I really dont know love at all  
Tears and fears and feeling proud  
To say I love you right out loud  
Dreams and schemes and circus crowds  
Ive looked at life that way  
But now old friends are acting strange  
They shake their heads, they say Ive changed  
Well somethings lost, but somethings gained  
In living evry day  
Ive looked at life from both sides now  
From win and lose and still somehow  
Its lifes illusions I recall  
I really dont know life at all  
Ive looked at life from both sides now  
From up and down, and still somehow  
Its lifes illusions I recall  
I really dont know life at all
