

Yelawolf, Opie Taylor

well, mama sent me down to the mac
BC bottles and bag of tabasco
said her boss was an asshole
she been on the line just breakkin' her back through

I need a rope whit a lasso
to catch a pot of gold and get past the hassle
to get mama a castle
pink Cadillac whit the matching tassels

tick my ddy off whit the backhoe
send him down to florida
to fish on the fast boast
and a truck to match so he can roll around town
pullin' his fast boat
