

# Yelowolf, Opie Taylor

well, mama sent me down to the mac  
BC bottles and bag of tabasco  
said her boss was an asshole  
she been on the line just breakkin' her back through

I need a rope whit a lasso  
to catch a pot of gold and get past the hassle  
to get mama a castle  
pink Cadillac whit the matching tassels

tick my ddy off whit the backhoe  
send him down to florida  
to fish on the fast boast  
and a truck to match so he can roll around town  
pullin' his fast boat
