

# Yelawolf x Caskey, Open (Ft. DJ Paul)

She's so open  
We're so open  
She's so open  
We're so open  
She's so open  
Soon as i pulled out  
Mane, that think was still open

The liquor that's in my system  
Got me mspinnin' and talkin' venom  
Walkin' through the parkin' lot  
Drive in the bar  
Like i am swimmin'  
Scuse me  
Bitch out my way  
No security's in my face  
Part the seas whit my clique  
Look at tjis fool  
Fuck you say?
