

# Yello, Koladi-Ola

Koladi-ola  
Koladi-ola  
I'm gonna making  
You wanna shake me  
People sitting out of my mind  
Koladi-ola  
I'm going down  
Everything's around  
Everything is good and divine  
I go bananas  
Driving in my car  
Trying not to lose my ways  
Koladi-ola  
Again  
Koladi-ola  
One more time  
Koladi-ola  
One more time  
I'm going down  
Everything's around  
Everything is good and divine  
And I said  
Again  
I go bananas  
Driving in my car  
Trying not to lose my way  
Koladi-ola  
Again  
Koladi-ola  
I'm gonna making  
You wanna shake me  
People sitting out of my mind  
I'm going down  
Everything's around  
Everything is good and divine  
Koladi-ola
