

YG, Bulletproof (ft. Jay 305)

they like YG
why you so extra'd out
cause I pull up in a drop
like bitch check me out
I don't drive no tesla
I got too much clout
take it out her pussy hole
put it in her mouth
they like damn that nigga nasty
fucking on a bitch tract's classy
the dick was good, she harassed me
then I nutted on them ass cheeks
2's, 3's, and 4's and 5's
800, 900 on mine
I could make crime all the same
I convicted my homies to side
take this pistols, you down to ride
cock the pistol
it's hammer time
fuck the bitch, she traumatized
