

YNW Melly, City Girls

where all of my city girls at?
North Miami, where it all goes down
heard it ain't no pity where you're at
and your dad don't know rgar your soul in list and found

she don't want love
she don't love no one but herself
all she really cares about is a lace-front weave
and the boutiques from Chanel
what about lies?
what about lust?
do you trust yourself?
any time you walk out the door
it's a bag full of ones and a lame nigga under your belt
but I won't judge,
I won't judge, don't judge yourself
promise I am not here to burden you
I am here to help

nah , for real

if you looking for someone to change your life
change your life
I can be the one who can change your life
if you're looking for someone who can change your life
baby, I can be the one who can change your life
and I know that you're young and you're filled ith life
aint;t no need to be ashamed
I don't judge nor bite
if you looking for someone to change your life
ain't no need to cry, baby
wipe your eyes

she don't want love
she don't love no one but herself
all she really cares about is a lace-front weave
and the boutiques from Chanel

she don't want love
she don't want love from no one else
she don't love
she don't want love
she don't love no one but herself

I wan' amuse I need you
too scared oto lose you
put down your pride
see through your eues
somebody bruised you
know what you been through
I wan' avage you
Act like you mad, act like you sad, but yet pretend to
say you love honesty
but yet it offends you

if you looking for someone to change your life
change your life
I can be the one who can change your life
if you're looking for someone who can change your life
baby, I can be the one who can change your life
and I know that you're young and you're filled ith life
aint;t no need to be ashamed
I don't judge nor bite
if you looking for someone to change your life

ain't no need to cry, baby
wipe your eyes

she don't want love
she don't love no one but herself
all she really cares about is a lace-front weave
and the boutiques from Chanel

she don't want love
she don't want love from no one else
she don't love
she don't want love
