

# Young Stoner, Trance (feat. Karlae & Yung Bleu)

Touch me, tease me, touch me, tease me  
(Yo, bitch, I'm the big Balenciaga mama)  
Touch me, tease me, touch me, tease me  
(Been bringin' the drama, big don dada, you can't even name a bitch hotter than this)  
Queen shit, bring him down to his knee shit  
You know what the fuck I'm talking 'bout, lil' bitch  
Pimps down, hoes up, you feel me?  
(It's that Trappin N London for sure)

I'ma pop my shit, you know I'ma pop my shit

He love how I make it dance, put 'em in a trance like this  
Good frame on me, can't get close 'less you comin' with a check, spend your bag on this  
Need the Cartier shades with the Rollie iced out  
And I need it right now, need baguetties on my wrist

When she saw the diamonds, went in cardiac arrest (Ooh, ooh, ooh)  
Tried to slide on a nigga and I heard he got caught up with the rest (Grrah, ooh, ooh, ooh)  
She a bad bitch, gotta get the best  
Fuckin' on the cloud, got her pilotin' the jet (Skrrt)  
Balenciaga mama in the 'Vette (Skrrt)  
Tryna slide on a nigga  
And I heard she got caught up with the rest
