

Yuna, Crush (ft. Usher)

You call me on a lazy afternoon
Asking me what I'm up to, let's find something to do
Baby I'd be down, down, down, down, down, down, down, down,
You know I'd be down, down, down, down, down, down, down, down.

I see you arriving in your car
Jet black mercedes, built in the 70's - classic like you and me
I'll be coming down, down, down, down, down, down, down /2x

I feel a little rush
I think I've got a little crush on you
I hope it's not too much
But boy when I'm with you I hear it
My heart is singing "Lalalalala"
"Lalalalala"

Honestly you shouldn't waste time no more
Cause all these little boys you're chasing did
They break your heart?
I know you've been down, down, down, down, down, down, down, down.
I won't let you down, down, down, down, down, down, down, down.

I feel a little rush
I think I've got a little crush on you
I hope it's not too much
But girl when I'm with you I hear it
My heart is singing "Lalalalala"
"Lalalalala"

I wonder if you feel the same
I see it in the way that you behave around me
And I can tell
What we have is different from anyone else
Cause you stop doing what you doing
When I call you come up to me running
And I would do the same for you
So tell me that you feel it too

I feel a little rush
I think I've got a little crush on you
I hope it's not too much
But boy when I'm with you I hear it
My heart is singing "Lalalalala"
"Lalalalala"

Think I've got a crush, baby
Feel a little rush baby
Think I've got a crush, baby
Feel a little rush baby
