

Yung L.A., Party

(feat. Young Dro)

[Hook:]

He party she party we party

Let's party you party who party just party let's party

Let's party let's party let's party let's party

[Verse 1: Yung LA]

Whip section off tha chain party over here

Big ballers on tha goosey and tha remedy

Tha bad bitches in tha crowd lookin like sum models

Big money ova here we throwin up tha gwaup

Thugs 2 step goons pyrex

We rockin hard ova here this tha do it section

Tha party off tha chain they bouncin wall to wall

I'm 2 stepin with my remmi wipe me down dawg

Party ova here party ova there party party party everywhere

Party ova here party ova there party party party party everywhere

[Hook]

[Verse 2: Young Dro]

Money at my party honeys at my party

This how we be doin we be at my dopeboi party

Remmi and becardi steady hollerin ali

Then I think I'm goin krayzie just like bob marley

Black boy white boy swagg black boy white boy taggz

You kno wat it is in a black boy white boy jag

All these bitches hatin but they after our sack

All these bitches hatin but they after our sack

I'm bout to do my thang me and futuristic leland

Don't you kno it's a futuristic season

So come on to my party so come on to my party

[Hook]
