

# Yung Pinch, That's My Baby (Feat. Pouya)

that's my baby  
she only hears what she wanna hear  
she what she wanna see

told her "take off the blindfolds"  
see what I am trying foe  
recognize u ma yours  
(don't you play me)  
only one I am gon' fried for  
drunk in the tahoe  
she go where I go  
(that's my baby)  
and forever you will never die  
that's my baby  
I'ma be here ti;l the end of day  
that's my baby

she cuffed like the 5-0  
I am hitting them high notes  
love's like my time zone  
It keeps on changing

I am hiding my ego  
so fly like an aegel  
she listens to people  
who still hate me  
and I don't know what to do

I don't know what to say  
everything I tried put me back me outside  
almost best of lied

girl just let me in  
can we still be friends?  
don't need to know where I am  
don't need to who I am whit  
I am as real ae it gets

she what she wanna see  
she only hears what she wanna hear

told her "take off the blindfolds"  
see what I am trying foe  
recognize u ma yours  
(don't you play me)  
only one I am gon' fried for  
drunk in the tahoe  
she go where I go  
(that's my baby)  
and forever you will never die  
that's my baby  
I'ma be here ti;l the end of day  
that's my baby
