

Yung Pinch, That's My Baby (Feat. Pouya)

that's my baby
she only hears what she wanna hear
she what she wanna see

told her "take off the blindfolds"
see what I am trying foe
recognize u ma yours
(don't you play me)
only one I am gon' fried for
drunk in the tahoe
she go where I go
(that's my baby)
and forever you will never die
that's my baby
I'ma be here ti;l the end of day
that's my baby

she cuffed like the 5-0
I am hitting them high notes
love's like my time zone
It keeps on changing

I am hiding my ego
so fly like an aegel
she listens to people
who still hate me
and I don't know what to do

I don't know what to say
everything I tried put me back me outside
almost best of lied

girl just let me in
can we still be friends?
don't need to know where I am
don't need to who I am whit
I am as real ae it gets

she what she wanna see
she only hears what she wanna hear

told her "take off the blindfolds"
see what I am trying foe
recognize u ma yours
(don't you play me)
only one I am gon' fried for
drunk in the tahoe
she go where I go
(that's my baby)
and forever you will never die
that's my baby
I'ma be here ti;l the end of day
that's my baby
